Re: In re: Amendment of Parts 1, 22, 24, 27, 74, 80, 90, 95, and 101 To Establish
Uniform License Renewal, Discontinuance of Operation, and Geographic
Partitioning and Spectrum Disaggregation Rules and Policies for Certain Wireless
Radio Services; WT Docket No. 10-112

Dear Ms. Dortch:

On Friday, May 13, 2011, Brian Josef, Assistant Vice President, Regulatory Affairs, CTIA – The Wireless Association® (“CTIA”), along with Brian Benison of AT&T, Robin Cohen of Sprint Nextel, Josh Roland and Christopher Wieczorek of T-Mobile, Peter Connolly of Holland & Knight (representing U.S. Cellular), and Mike Samsock of Verizon Wireless met with Roger Noel, Kathy Harris, Richard Arsenault, and Michael Connelly, all of the FCC’s Wireless Telecommunications Bureau, Mobility Division. During the meeting, the parties discussed the Commission’s pending license renewal harmonization proceeding, including the impact of changing renewal standards on carrier operations as well as considerations that could factor into any potential “safe harbor” option.

Pursuant to Section 1.1206 of the Commission’s rules, a copy of this letter is being filed via ECFS with your office. Should you have any questions, please do not hesitate to contact the undersigned.

Sincerely,

/s/ *Brian M. Josef*
